

Terms and Conditions

ALL Quotes are valid for 30 days from date of issue.

Quantities are per advisement of customer and may vary once install is completed and invoices accordingly.

If there are queries regarding stock quantities, it is up to the customer to advise AFC of these concerns and provide sufficient documentation to support these claims within 7 days of invoice.

Quoted price includes supply, one install and one dismantle for the hire term, unless otherwise noted.

The price supplied within this quote is for works carried out during standard working hours and days unless stated otherwise within the quote.

Invoices are to be paid within the standard 30-day payment terms from invoice date unless stated otherwise.

In areas of high wind and unstable or unlevel grounds we do recommend using bracing to support the fence.

On occasions where the customer will install or request us to install shade cloth, weed mat or scrim we do recommend the use of bracing to avoid any unwanted stabilization of fencing.

AFC has Public Liability, Workers' Compensation, and is compliant with the National Code of Practice for the Construction Industry.

It is the customers responsibility to make payment for any damages or loss of hired stock when it is under their possession of hire. Stock must be returned to AFC in the same condition or at least as equal to what it was when installed. AFC accept fair wear and tear on our stock.

It is the client's responsibility to ensure that the site, and any of our products, are always accessible, including for delivery, servicing, and pick up.

The provided rates are in collaboration with one install and one dismantle within our Free Delivery Area, unless stated otherwise.

The Company reserves the right to amend its quote and charge the Hirer for any additional materials and labour required to supply and install the Equipment to comply with the specific wind rating of the Hirer's site.

Once the initial hire term lapses a \$3.50+GST per meter per month (or part thereof) hire charge will apply to hired Panels (unless separate pricing has been stated previously).

A charge will apply to relocate/re stand fence, or other additional labour. Extra charges will apply outside normal business hours.

A cancellation Fee does apply if works are cancelled on same day installation or after 3pm the day prior.

You are accepting these terms and conditions by agreeing to the provided quotes and/ or once Fencing has been installed/ Payment has been made.
